

New V243 Valve bodies!

Spartan PD offers the largest selection of globe control valves for the HVAC industry.

We have recently added to our product line the new single seated, pressure balanced, V243 flanged valve body. The V243 is available in sizes up to 6”.

The double seated, balanced V241 flanged valve body is available in sizes up to 10”.

50PSI (3.40Bar) close off pressure is achieved with a single spring return actuator.
